## Legion of Honor

The 2006 Legion of Honor Luncheon was Thursday, October 12<sup>th</sup> at the Dayton Convention Center. There was a good turnout and we honored a very deserving recipient, Dr. Ned Sifferlen. If you missed this event, you missed a great program! Make plans now to attend next years event. Thank you, Alan, for a great year. I will lean heavily on you.

## Presidents Comments

Wow! Time did move quickly and I am totally unprepared for my term as President. Thank you to all those who have agreed to serve as VP's, including Bill Gordon, Jane McBride, Roger Pankake, Arnold Sandness, Tony Massoud, Rod Raines, and especially Margaret Barclay for agreeing to be the President-Elect. Also, thanks to Terry Ogletree for serving another year as Secretary and to Barb Layne for serving another year as Treasurer.

My one main goal is to increase membership in the Presidents Club by 5 clubs. It doesn't sound like much, but we haven't grown for several years, and I understand that at one time, the membership in this Club was over 60 Clubs. Ask one of your local clubs to join. The dues are very reasonable at \$75.00, and of that, \$30.00 is returned through two free tickets to the Outstanding Community Member Breakfast, as well as \$7.00 per person who attends the Legion of Honor Luncheon, since the charge is \$17.00 and the cost is \$19.00 for the lunch and \$5.00 for parking.

**Christmas – Why?** In our society today, this holiday is referred to Winter Break by more and more public and government entities. Many cower to minority pressure and say they don't want to offend customers and citizens. Others say that referring to Christmas is a violation of the non-existent Establishment of Religion clause of the Constitution. (I challenge anyone to find that clause in the Constitution.) If we fall into these traps, then why do we give and receive gifts? This was, in my opinion as you can see by now, started when the Wise Men searched out the Christ Child and presented Him with gifts. We celebrate Christ-mas in honor of the birth of Jesus.

In your celebration of Christmas, fight those who want to remove Christ from our society. Even the text books have started removing any reference of religious freedom as one of the main reasons the

pilgrims left England. Be bold in your stand that you want and expect Christ to retain recognition as the "Reason for the Season"!
