## January 2015 Newsletter

### The President's Address:

Greetings Membership and Board Members:

I would like to start with wishing all of you a very Happy and Prosperous New Year! On behalf of the President's club we would like to thank each one of our membership clubs for their contributions to the Miami Valley this past year. You are of great value to our community in which we live and work. Without our volunteer service clubs many area children and families would find themselves without resources. Your work is vital to our community and is greatly appreciated.

We look forward to the 2015 New Year with great hope and anticipation that this will be our best year yet. There is work to be done in our community and through your service and commitments I truly believe lives will be changed and people will find encouragement and hope.

Our membership clubs are very important to us. Therefore, I would like to extend an open invitation for our membership to share with us any comments and/or ideas you may have to better serve our members and our community. Any suggestions for partnership and community outreach would be greatly appreciated. Please send your comments and ideas to Vice President Cindy Davidson at [cldavidson629@aol.com](mailto:cldavidson629@aol.com). Let's make a difference together!

Our next meeting will be held on January 21, 2015 at the Dayton Masonic Temple and will begin at 11:30 A.M. Please join us in fellowship and I hope to see you there.

Sincerely,

Phil Plummer, President

At our November meeting, we had an open forum with club members and there were no speakers, the consensus is having speakers at the luncheons is very important so their clubs can select programs for the future.

The current Presidents Club Treasurer is David M. Klopfer, CPA with Clark Schaefer and Hackett in Cincinnati who has served our club extremely well over the past years. The board accepted his resignation effective December 31<sup>st</sup>.

John Keller will be the PCoD's new treasurer and will take over Dave's responsibilities. John Keller is his Firm's audit partner and business assurance partner, 44 years' experience at Manning & Associates CPAs, LLC (38 years in public accounting).

#### **Community Information Leaders and Speaker Programs**

In an effort to support our PCoD members and the public, this section is dedicated to providing a list of area information leaders, whether they be not-for-profits; elected officials and/or specific topic experts. These individuals, if contacted, may make themselves available to speak at club meetings or special events and share important programs, projects, issues or topics with audiences about our community and perhaps where additional volunteer leadership can play an important role in the success of these programs.

This list best may change from time to time in order to keep it updated. But it is a great reference guide to many areas of arts, social services, business, government and education in our community.

## **WE CARE**

The title for the brochure for the Dayton SCORE non-profit initiative is: “**WE CARE** About the Success of Non-Profit Organizations”. To verify that statement, Dayton SCORE created a committee of dedicated members to help small non-profit organizations increase their capacity and run a little like a small business. The committee investigated the needs of non-profit organizations. Then they created a three part program starting with an Organizational Assessment Form for Staff members and Boards to review their current status. The second step of the program is a series of five workshops which address basic organizational needs: Strategic Planning, Board Development, Financial Management, Fundraising and Marketing – all directed to non-profit organizations. The third step is specific mentoring for organizations at their request.

Starting in the fall of 2012, the series of free workshops has been presented twice yearly with each session followed by an hour of networking over lunch. Since the demand is continuing, a sixth series of the workshops will be presented by Dayton SCORE in the spring of 2015.

The planning dates are:

Strategic Planning	4/16/2015
Board Development	4/30/2015
Financial Management	5/14/2015
Fundraising	5/28/2015
Marketing	6/11/2015

Registration is required and will be offered three weeks prior to each session or on the website: [www.daytonscore.org](http://www.daytonscore.org)

The rescheduled Bob Chiles Classic is coming on Friday, 25 September 2015. The outing will be held at the WPAFB Twin Base Golf Course, with Registration at 8:15 and a 9:00 tee time. Twin Base is the Wight Patterson Air Force Base golf course adjacent State Route 444. Relocating to Twin Base enabled us to hold the outing without having to obtain Base passes for non-DOD players.

Coffee and donuts will be available at the start, and refreshments will be available on the course. The traditional steak dinner and awards ceremony will be held following the event at the Twin Base clubhouse.

We have attempted to contact all players with a reminder, but had bad email addresses for some. Please pass the word to all players on your team. If you have player changes to your 4-some, please email them to [lewisgangel@aol.com](mailto:lewisgangel@aol.com) by September 15, 2015. We do not need driver's license information, but make sure to include good email addresses along with the registration and payment. ## **November 2015 Newsletter**

### **The President's Address:**

Greetings Membership and Board Members:

Friends, I am so excited to begin my newly elected position as President. I reflect back over 20 years ago when I was President of the Northridge Optimist currently known as Northridge/Kittyhawk Optimist. And remember thinking how awesome and exciting The President's Club organization is. And felt it only a dream to ever sit on such a pristine board as this.

God has brought me along way sense then and today that dream has come true for me. I am here.... Sitting among some of the most kind hearted and giving men and women Dayton has ever known. I can't help but feel the pride and my heart filled with joy. Yet reserved, and allow myself to stay humble in the presence of those who served before me.

I wish only to carry on the traditions of community and unity as we move forward. I welcome you to join us along the way to continue to be role models to those who's eye are you. You never know, they might just have a dream too.

Wishing everyone a Happy, and Safe Thanksgiving!

Sincerely,

Cindy Davidson  
President, Presidents Club of Dayton

## **Organization Speaker Programs - Community Information Leaders**

In an effort to support our PCoD members and the public, this section is dedicated to providing a list of area information leaders, whether they be not-for-profits; elected officials and/or specific topic experts. These individuals, if contacted, may make themselves available to speak at club meetings or special events and share important programs, projects, issues or topics with audiences about our community and perhaps where additional volunteer leadership can play an important role in the success of these programs.

This list may change from time to time in order to keep it updated. But it is a great reference guide to many areas of arts, social services, business, government and education in our community. <http://presidentsclubdayton.org/index.php/community>

# GIVE THE GIFT OF SAFETY

## How about a safety training program scholarship for your child or grandchild?

The Centerville Evening Optimist club will again be conducting the **Mark A. Kreusch Safetyville Square** program at Primary Village North. The 4 day program teaches children entering Kindergarten and 1<sup>st</sup> grade safety basics. From how to board and exit a school bus to what to do during a fire, this program can be a life saver. The program is conducted by professional certified instructors and representatives from the Centerville Police Department, Montgomery County Sheriff Department and Washington Township Fire Department.

For the first time, you can purchase a scholarship certificate for \$40 entitling 1 child to attend the program. The 4 day program will be conducted during the weeks of June 6, June 13, July 11 and July 18. The scholarship is good for any one of the sessions. The sessions are morning or afternoon and run for 2 hours per day for 4 consecutive days.

You can purchase a scholarship now and decide which sessions to attend in the spring.

To purchase scholarships, mail a check for \$40 per participant to Centerville Evening Optimists, PO Box 751483, Centerville, OH 45475-1483 by December 9. A scholarship certificate for each person will be mailed to you the week of December 14. **The name of the recipient will be left blank on the certificate for you to complete.**

Please include the address you would like the certificates(s) sent to, names of the intended recipients and the contact information including phone number and e-mail address of the child's parent or guardian so they can be contacted for scheduling in the spring.
