Recognitions

In celebration of National Volunteer Week, the City of Kettering has named Bob Montavon the awardee for the Mayor's Award for Volunteer Service. Bob is very active in several volunteer activities, especially Dor-Wood Optimist Club where he has served in various capacities, including President. He is also a past Lt. Governor for the Ohio District, and remains active in the District.

Please join me in congratulating Bob for this recognition and his continued contributions to "bringing out the best". He is truly an example of "Imagine the Power of You", and the influence of Optimists in the community.

Yours in Optimist,

Governor Myron Rheume

Organization Speaker Programs - Community Information Leaders

To support our PCoD members and the public, this section provides a list of area information leaders, whether they be not-for-profits; elected officials and/or specific topic experts. These individuals, if contacted, may make themselves available to speak at club meetings or special events and share important programs, projects, issues or topics with audiences about our community and perhaps where additional volunteer leadership can play an important role in the success of these programs.
