There is no progress without a change of position”
— Sunday Adelaja, No One Better Than You

Thank you for the opportunity to serve as President of the Presidents Club of Dayton, I have enjoyed the leaderships role and I leave with no regrets. My dedication to serve will continue as Past President and Board Member. I happily pass the baton to a great guy, dedicated Board member Larry Horwath. As you know I am a woman of “Many Scarves” so my community involvement continues with helping/providing services for the underserved/under privileged in our community. Effective October 1, 2020 Larry is the new President of our club. There is still lots of work to be done and I know we will make Larry proud and be supportive!

2020 Bob Chiles Golf Outing summary

We held our 40th annual Bob Chiles Golf Classic on July 10th this year at the Beaver Creek Golf Club. We had a beautiful day with only a short rainfall to help cool things off a bit. This year we had a total of 84 players. Due to restrictions we did a split tee start this year which went off beautifully. We were able to bring in a total profit of \$11,768 this year! \$7,061 of that was donated to both the Fisher House and First Sergeant's Association. This brings our total donations for Fisher House to over \$148,000 and First Sergeant's Association to over \$9,000. Although this was an unprecedented year everyone seemed to have a great time! We are looking forward to next year's outing which will again be held at Beaver Creek Golf Club on May 14, 2021.

Organization Speaker Programs - Community Information Leaders

To support our PCoD members and the public, this section provides a list of area information leaders, whether they be not-for-profits; elected officials and/or specific topic experts. These individuals, if contacted, may make themselves available to speak at club meetings or special events and share important programs, projects, issues or topics with audiences about our community and perhaps where additional volunteer leadership can play an important role in the success of these programs.

This list may change from time to time to keep it updated. But it is a great reference guide to many areas of arts, social services, business, government, and education in our community.
