## ***January 2021 Newsletter***

Dear President Club Members and Friends,

2020 has been a year to forget, never have I lived through a time as bad as 2020 that I can remember, the best economy ever for 3 months and the stock market out of sight and all of a sudden everything crashed on us and the world. This virus that no one can see did more harm including Millions of infections and over a third of a Million dead. It destroyed Millions of jobs and helped put Millions of the people in this country and the world in food lines. Let us Pray that 2021 will be a year that surpasses anything we have ever experienced.

The year 2020 was not one we want to remember for many reasons. There were 5 Citizen Legion of Honor Awardees who left us to take their place as Saints in Heaven.

Bob Mills, Clark Beck, Doris Ponitz, David Holmes and Joyce Young, (all Obituaries are below).

These were losses we cannot replace because of their Volunteerism, Philanthropy, and Community Services they provided. We would like you all to remember Joyce Young who was the 1991 Citizen Legion of Honor Award recipient. She was active in many local organizations and a friend of the presidents Club. She always attended our Citizens Legion of Honor Award Luncheons and always had a beautiful smile on her face and greeted everyone. She was active in many local organizations and a friend of the Presidents Club. Hopefully, we can have an Award Luncheon in 2021.

Let's Pray for a great start in 2021 with more vaccines being discovered and vaccinations getting out to suppress this Covid-19 Pandemic.

The Presidents Club of Dayton will not have a Zoom Presentation in January but a board meeting to discuss plans for 2021 and present them in the next newsletter and the February program.

Our Zoom board meeting will be Wednesday, January 20<sup>th</sup> beginning at 12:00 pm. and ending at 1pm. The Masonic Temple has closed because of Ohio's regulation regarding Covid-19, once it reopens we will be back again for good food and programs.

The December program was presented by Ms. Jan Lepore-Jentleson on Zoom. The website for the East End Community Center is <https://www.east-end.org/>

On the program we had in September, Vitamin D3 Research on Covid-19, here is an article proving that Vitamin D3 can save lives:  
<https://www.nutraingredients.com/Article/2020/12/21/Experts-send-Vitamin-D-and-Covid-19-open-letter-to-world-s-governments>

### Organization Speaker Programs - Community Information Leaders

To support our PCoD members and the public, this section provides a list of area information leaders, whether they be not-for-profits; elected officials and/or specific topic experts. These individuals, if contacted, may make themselves available to speak at club meetings or special events and share important programs, projects, issues or topics with audiences about our community and perhaps where additional volunteer leadership can play an important role in the success of these programs.

This list may change from time to time to keep it updated. But it is a great reference guide to many areas of arts, social services, business, government, and education in our community.

### **ROBERT W. MILLS, Jr.,**

Robert W. Bob Mills was born August 16, 1949, in Erie, Pennsylvania, to the late Ruth and Robert Mills, Sr. He passed away at his home in Beavercreek, on Monday, July 13, 2020. Bob Mills, was a self-made success and recognized leader in our community, known not only for his business acumen, but also for his philanthropy. He worked his way through Gannon University, earning a Business Management degree. Then over 40 years ago, Bob moved his family to the Dayton region to launch his own company - with just \$200 in his pocket. His entrepreneurial spirit provided the foundation for his construction company, Synergy Building Systems, and real estate development firm, Mills Development. While building over a billion dollars of commercial space and providing jobs for many, Bob learned the value of philanthropy and giving back to his community. Bob held a special place in his heart for his hometown of 40 years, the City of Beavercreek and Greene County, sponsoring just about every sports team and community event possible. Bob loved supporting others who were taking the entrepreneurial path and he continued to provide funding and mentoring to many of the region's small startups. He also gave of his time, having generously served on more than a dozen corporate and not-for-profit boards in our region over the last 30 years, including Greene Memorial Hospital, Grandview Hospital Foundation, National Museum of the U. S. Air Force, Dayton Development Coalition, Wright State University Foundation, Homecroft, Inc, and is the co-founder and former Board Chair of Michael's House, a children's advocacy center in Greene County. Bob was especially proud of his contributions to pave the way for construction of the Indu and Raj Soin Hospital in Beavercreek and the Mills Family Comprehensive Cancer Center at Dayton Children's Hospital in honor of his granddaughter and leukemia survivor Ally. Together with his family, he created the Mills Family Foundation, a nonprofit with a mission focus as a regional resource to help "Support Women and Children in Need". Next, Bob and Barbara wanted to create a legacy to send cancer into the sunset and so they created the Gala of Hope Foundation. To date the effort has raised and donated more than \$6.5 million in the fight against cancer and to improve cancer care in our region. Over the years, Bob has been recognized by organizations like the Dayton Regional STEM School; the Beavercreek Chamber of Commerce; Wright State University; the American Cancer Society; and by the national Leukemia & Lymphoma Society as its 2010 National Man of the Year for which Bob set a record raising just under \$500,000 while his granddaughter Ally was battling Leukemia. Bob was recognized by the Family Violence Prevention Center of Greene County with the Outstanding Community Service Award for his service to Victims of Crime. Bob was honored to be a recipient of the Mathile Community Award and to be recognized by The Presidents Club of Dayton's as the 2017 Citizen Legion of Honor recipient. In 2019, he and his wife Barbara were also honored by the Dayton Business Journal as the publication's Regional Leaders of the Year award. Everyone who knew Bob knew he was a kid at heart. He took extreme pride in his home at Fox Hill which he created to be a grandchild's paradise. Each October he was known to throw the world's best and biggest Halloween party. He loved sharing Fox Hill with so many friends and family over the years.

### **Ponitz, Doris Jean Humes**

Doris Jean Humes Ponitz passed peacefully on December 1, 2020, in Dayton, Ohio.

From humble beginnings, Doris dedicated her life and career to a variety of humanitarian efforts, the results of which now echo throughout the local and international communities. She was a teacher, community volunteer, philanthropist, and civil rights activist who advocated tirelessly for the arts, education, peace equity, social

justice and the rights of children, refugees and women. The lifelong contributions made by Doris Ponitz embodied the notion "think globally, act locally," well before it entered the modern lexicon.

Born in 1932 to Lilah Belle Robinson Humes and Frederic J. Humes in the small town of Marlette, Michigan, during the Great Depression, Doris was the bright middle child and only daughter of a working-class family who saw promise in her nimble mind and unflappable cheer. She showed an early acumen for music and was given piano lessons. Doris went on to receive a Bachelor's degree in Music Education from Michigan State University, Master's Degree in Public Education from the University of Michigan, and an Honorary Doctorate from the University of Dayton.

Classical and choral music would remain a lifelong passion for Doris, who passed on her love of song to her own children, as well as to countless others through her work in the Dayton Philharmonic Orchestra, public

schools, Girl Scouts, and the United Methodist Church. Throughout her life, she filled her home with music, and actively sought harmony with persons from a diverse array of backgrounds.

Doris received hundreds of formal commendations for her work championing women, children, persons of color, and the underserved, including the Martin Luther King, Jr. Legacy Award, National Council of Community & Justice Friendship Award, the Dayton Region Walk of Fame, the President's Club Legion of Honor Award,

the Dayton Daily News Ten Top Women Award, Michigan State University's Outstanding Alumni Award, and the Centerville Schools Hall of Fame. She was named a YWCA Woman of Influence in 2002 and received the

YWCA Lifetime Achievement Award in 2013. She was quoted in multiple books and publications, including the New York Times. The Doris and David Ponitz Leadership Scholarship was established at Sinclair Community College in 1998.

Doris Ponitz helped found the Dayton Literary Peace Prize Award, the Dayton International Peace Museum, and led multiple humanitarian missions to Bosnia after the Dayton Agreement helped secure a ceasefire there. She chaired and served on a variety of boards, foundations, and associations, including the League of Women Voters, National Girl Scout Board, National Conference on Community & Justice, Dayton Peace Accords Project, United Way, Wright-Dunbar Walk of Fame, Dayton Philharmonic Orchestra, American Symphony Orchestra League Volunteer Council, Montgomery County Arts & Cultural District, Centerville Education

Foundation, Engineer's Club of Dayton, Friendship Force of Dayton, Culture Works, Leadership Dayton, Junior League, Girl Scouts of Buckeye Trails, Clothes That Work, Washington Township-Centerville Diversity Council, Kids Voting Ohio, Centerville Education Foundation, Think-TV/PBS, Dayton Contemporary Dance Company, Miami Valley Cultural Alliance, Museum Center Foundation, Dayton Area Chamber of Commerce, CD '96, the celebration of Dayton's bicentennial, and was appointed by Ohio's governor to the Ohio Educational Broadcasting Network.

She made her first mark in her own community at the age of 14 speaking out publicly for civil rights in 1947. A forerunner in modern women's rights, she was the adult leader of the first Girl Scout troop to serve as Governor's Honor Guard in her home state of Michigan. Later, she promoted equity in access to education, the arts, employment opportunities, and the democratic process through innovative programs like Women Who Work, KidsVoting, Symphon-Ears, the Dayton Philharmonic Volunteers Association, and the National Conference Of Community & Justice.

Doris Humes married David Ponitz in 1956, beginning a dynamic partnership centered on an agenda of education, equity, and community, which gained traction over the course of their careers. As a teacher and advocate, Doris endeavored to make positive changes everywhere she lived. She and David lived in Waldron, Michigan, where Doris was a music teacher and he was superintendent of schools; in Cambridge, Massachusetts, where Doris looked after their first child, Catherine, and David received his doctorate from Harvard University; in Freeport, Illinois, where Doris continued her community service and David served his first presidency at Freeport Community College; in Ann Arbor, Michigan, where together they helped found Washtenaw Community College, and their second child, David, was born; and in Dayton, Ohio, where Doris transformed local priorities and David served as president of Sinclair Community College until his retirement in 1997.

Her adventurous spirit took her to every U.S. state and all seven continents. Doris accompanied a zoological expedition to Antarctica, walked the Great Wall of China, swam with turtles in the Galapagos, saw the northern lights in Iceland, and sailed on the Queen Mary II.

Well-known for her optimism, mentoring, and vision for community, the legacy of Doris' advocacy and integrity

is most evident in the improved lives and careers of others. She led by example, enthusiasm, and the sheer force of her will, and inspired many to volunteer. "Onward and upward," was one of her signature phrases, and

that is how she lived her life: raising the spirits and fortunes of others, with gratitude for the opportunities she herself was given. Her curious mind was always keen to discover the new. Her generous heart remained open to the experiences and needs of others.

Even after multiple health challenges in recent years, her determination remained an inspiration to her family, friends, and all who encountered her. Like the music and art she loved and championed, the legacy of Doris Humes Ponitz is one of profound beauty. Our sorrow upon her passing is commensurate with the joy she brought to this world.

## ***February 2021 Newsletter***

Dear President Club Members and Friends,

It has been a tough year for all of us and we hope 2021 is going to be much better to have our regular meetings again. We have contacted Sinclair College a few times about our four scholarships for 2020, and we don't know if they gave them out, and if they did, who are they? We found out that Carillon Park for our luncheons will not happen. Their board voted not to have our luncheons or wall plaque area established because it is not consistent with their mission. I think the Pandemic has had a lot to do with this decision. Therefore, we are looking for a new place to locate the Plaques on the 3<sup>rd</sup> Floor of the Dayton Convention Center if they start remodeling it or stay there. Our attendance for the Citizen of Legion Award is normally 350 to 450 guests. February 17<sup>th</sup> from 6 pm to 7 pm will be a PCoD Board meeting via Zoom. We will plan tentatively having our luncheons at the Masonic again in March if it looks good to have one.

All our organizations, Service Clubs and Non-Profit Organizations are welcome to use our Zoom for your meetings of up to 100 people with unlimited time. This is a value we want to provide and if you need assistance in getting a meeting set-up for your organization, our Past President and current Vice President Tony Massoud says to inform of the date, time and length of the meeting and he will help you. His email address is [daytoncivitanclub@gmail.com](mailto:daytoncivitanclub@gmail.com) or [daaf.org@gmail.com](mailto:daaf.org@gmail.com) you can also text him at 937-238-0595.

Tony Massoud is also on the Bob Chiles Golf Committee and there have been several meetings with more planned through early May 2021. The date for the Bob Chiles Golf Outing is May 7<sup>th</sup> with a rain date of May 8<sup>th</sup>. The Golf Course will be at Beavercreek Golf Club. We need volunteers, sponsors, and golfers, so please let your organizations have this information so they can be part of this.

THE 28 DAYS OF BLACK HISTORY MONTH, an annual celebration of achievements by African Americans and a time for recognizing their central role in U.S. history, is coming to a close for 2021. It has been my pleasure to bring you a tidbit of Dayton Black History, honoring a few of the most talented, influential, honorable, well-respected, outstanding living black legends who have helped to shape the history of the Dayton community. They are truly some of the "gems" of The Gem City. They have stood on the shoulders of and/or received the torch from trailblazers who came before them and paved the way for the life we enjoy in this community today. Their stories can help us in connecting the past to the present. To educate and showcase their diverse backgrounds, my goal was to recognize some of their gifts, talents, accomplishments, achievements, contributions, and legacies "while they can still smell the roses." I truly appreciate and am grateful for their unselfish service, dedication, love, tenacity and commitment to facing the challenges of their times and making a difference. Leadership for a better tomorrow!

My list of the many outstanding "gems" in Dayton and surrounding areas is extremely long and growing, so watch for future posts. Please feel free to forward bios to me via e-mail. Let us continue to celebrate Black History 365 days each year. Thank you for your positive comments and support! The joy continues . . . --  
Beverly ♥

### Organization Speaker Programs - Community Information Leaders

To support our PCoD members and the public, this section provides a list of area information leaders, whether they be not-for-profits; elected officials and/or specific topic experts. These individuals, if contacted, may make themselves available to speak at club meetings or special events and share important programs, projects, issues or topics with audiences about our community and perhaps where additional volunteer leadership can play an important role in the success of these programs.

This list may change from time to time to keep it updated. But it is a great reference guide to many areas of arts, social services, business, government, and education in our community.

### Organization Speaker Programs - Community Information Leaders

To support our PCoD members and the public, this section provides a list of area information leaders, whether they be not-for-profits; elected officials and/or specific topic experts. These individuals, if contacted, may make themselves available to speak at club meetings or special events and share important programs, projects, issues or topics with audiences about our community and perhaps where additional volunteer leadership can play an important role in the success of these programs.

This list may change from time to time to keep it updated. But it is a great reference guide to many areas of arts, social services, business, government, and education in our community.

### Organization Speaker Programs - Community Information Leaders

To support our PCoD members and the public, this section provides a list of area information leaders, whether they be not-for-profits; elected officials and/or specific topic experts. These individuals, if contacted, may make themselves available to speak at club meetings or special events and share important programs, projects, issues, or topics with audiences about our community and perhaps where additional volunteer leadership can play an important role in the success of these programs.

This list may change from time to time to keep it updated. But it is a great reference guide to many areas of arts, social services, business, government, and education in our community.

### **FOR IMMEDIATE RELEASE**

The Presidents Club of Dayton honors Lt General (retired) Richard Reynolds with top volunteer award

DAYTON, Ohio—The Presidents Club of Dayton is pleased to announce that Lieutenant General (retired) Richard V. “Dick” Reynolds will be the 70<sup>th</sup> recipient of the region’s 2021 Citizen Legion of Honor Award. The award, given annually since 1951 (2020 COVID exception) is the oldest, most continuous and prestigious recognition of volunteer servant leadership in the Dayton region.

General Reynolds served our military in the United States Air Force for thirty-four years of active duty, retiring as Vice Commander, Air Force Materiel Command, Wright-Patterson Air Force Base. He had an illustrious career beginning as a 1971 graduate of the United States Air Force Academy, and along with his family, served with distinction in assignments and on Air Force installations across the United States. Upon retirement, General Reynolds, his wife Joani, and daughters Brittany and Tori, settled in the Dayton area and have led active lives in our community. Dick took his love of education, flight, military service, and history and continued leadership as a volunteer in many community programs and projects. He served as a principal fundraiser for WPAFB Fisher House II and the Dayton Department of Veterans Affairs Medical Center Fisher House. He is also Past President and Board Chair of the Air Force Museum Foundation, Inc., a responsibility that included raising over \$39 million for construction of the National Museum of the United States Air Force 4<sup>th</sup> major building at WPAFB near the community of Riverside.

He is a Co-founder, Secretary, and Vice Chairman of our region’s Air Camp, Inc., which hosts students and teachers from across the United States, and teaches the importance of science, technology, engineering, and mathematics education, and paves the way for productive careers in the STEM disciplines. Dick is also a Trustee of our region’s United States Air and Trade Show and has served on advisory groups for the Dayton Development Coalition and Beavercreek Schools Strategic Planning.

Mike Parks, President of the Dayton Foundation said, “Dick is a tremendous example of what it means to make a true and lasting impact on one’s community. He is an amazing role model of volunteer dedication, strategic thinking, and enthusiastic leadership. We are so fortunate and pleased to have Dick here in our community.” The Presidents Club of Dayton agrees with Mr. Parks and believes General Reynolds is a role model for not only the many retired military men and women in our area, but for all volunteer servant leaders in our region. The Presidents Club of Dayton is honored to recognize Lt General (retired) Dick Reynolds at its annual luncheon event on Thursday, October 7, 2021, at the Dayton Convention Center from 10:30 a.m.-1:15 p.m. Sponsorships and tables are available to honor General Reynolds by contacting Phil Parker at 937-478-3000 or emailing [pparker@dacc.org](mailto:pparker@dacc.org). The proceeds from this event go toward sustaining the

Presidents Club scholarships at Sinclair Community College for active student volunteer leaders in our community.

**The Presidents Club of Dayton was founded in 1932 by a group of local business leaders who sought to support and stimulate volunteer servant leadership in the Miami Valley through citizens’ active participation in service clubs, churches, schools, nonprofit organizations and government. The organization’s leadership and work of advocating and championing volunteer community service have continued without interruption for almost 90 years.**

### Luncheon Topic September 15, 2021 A Few Favorite Haunts

Almost every locale across the country has great haunted tales. Ghosts inhabit houses and hotels up and down the Eastern Shore of the Chesapeake. Cape May, New Jersey have been famous for its numerous haunted inns and B & B's for decades. Even the Gulf Coast of Florida has more than its share of spirits. That's why I chose these quaint shore towns to set my Haunted Shores Mysteries.

But I realize our home area has more than its share of famous haunts, including a location of a mob execution, a gazebo a murdered bootlegger's wife still frequents, and a famous building built on the graveyard of children—where some of the departed young ones still roam. This presentation will feature a few of the haunting locations of southwest Ohio and the intriguing stories behind the restless spirits. The program also will also reveal some conclusions about how spirits interact with the living, drawn from my research on ghosts. And, of course, there will be several more photos of famous ghosts to ponder. Definitely a program to remember.

October 2021 Newsletter

*A Message from President  
Veronica Bedell-Nevels*

To the members of our illustrious *Presidents Club of Dayton*, I am excited to be able to serve as your new President. This gives me an opportunity to learn more about who our individual clubs are and the invaluable contributions that each club offers our wonderful community. I am a Real Estate Broker, so love of community will be referenced a lot because that is my life.

Homeownership & love of community creates stability and well-being in a person's life.

Past-President Larry Horwath did an outstanding job keeping our organization together during this time of the pandemic. He and his executive board worked diligently through virtual meetings and our outdoor golf event, helping the Presidents Club of Dayton stay on track/get back on track with our traditional activities that were canceled due to COVID-19. We would like to thank Larry and his Board for their leadership.

Our common goal should be to grow our memberships and focus on mentoring others to continue the mission and vision of our clubs. "Teamwork makes the dream work," and now more than ever, we need to help each other within our clubs by allocating duties to more members so that the load can be lifted from the three to five dependable members and more can be achieved. We need to support each other to make our organizations stronger. Our communities need our service clubs.

Service clubs are the quiet storm that helps lift communities up by offering scholarships to deserving youth, by offering reading programs, food drives, clothing drives, financial support for community services and programs. There is a myriad of opportunities that our service clubs offer that impact our communities. Some organizations cannot function without the support of service clubs.

We matter and need to make our voices heard by getting out of our comfort zone and spreading the gratification and enthusiasm one finds in growing our missions through our respective organizations.

Please be aware, we are still in a pandemic. I am a proponent of virtual meetings and activities if this dreaded virus calls for quarantining more. The virtual space has helped us stay focused on our goals and objectives and has proven to be an invaluable source for our clubs' continued growth. So, in-person events when we can and virtual if we must.

Twentig, Inc. was founded 51 years ago to support projects in the City of Dayton and surrounding communities. How long has your service club served our community? Let us keep them going/growing!

Be well,

*Veronica Bedell-Nevels*

### **FOR IMMEDIATE RELEASE**

The Presidents Club of Dayton honors Lt General (retired) Richard Reynolds with top volunteer award  
DAYTON, Ohio—The Presidents Club of Dayton is pleased to announce that Lieutenant General (retired) Richard V. “Dick” Reynolds will be the 70<sup>th</sup> recipient of the region’s 2021 Citizen Legion of Honor Award. The award, given annually since 1951 (2020 COVID exception) is the oldest, most continuous and prestigious recognition of volunteer servant leadership in the Dayton region.

General Reynolds served our military in the United States Air Force for thirty-four years of active duty, retiring as Vice Commander, Air Force Materiel Command, Wright-Patterson Air Force Base. He had an illustrious career beginning as a 1971 graduate of the United States Air Force Academy, and along with his family, served with distinction in assignments and on Air Force installations across the United States. Upon retirement, General Reynolds, his wife Joani, and daughters Brittany and Tori, settled in the Dayton area and have led active lives in our community. Dick took his love of education, flight, military service, and history and continued leadership as a volunteer in many community programs and projects. He served as a principal fundraiser for WPAFB Fisher House II and the Dayton Department of Veterans Affairs Medical Center Fisher House. He is also Past President and Board Chair of the Air Force Museum Foundation, Inc., a responsibility that included raising over \$39 million for construction of the National Museum of the United States Air Force 4<sup>th</sup> major building at WPAFB near the community of Riverside.

He is a Co-founder, Secretary, and Vice Chairman of our region’s Air Camp, Inc., which hosts students and teachers from across the United States, and teaches the importance of science, technology, engineering, and mathematics education, and paves the way for productive careers in the STEM disciplines. Dick is also a Trustee of our region’s United States Air and Trade Show and has served on advisory groups for the Dayton Development Coalition and Beavercreek Schools Strategic Planning.

Mike Parks, President of the Dayton Foundation said, “Dick is a tremendous example of what it means to make a true and lasting impact on one’s community. He is an amazing role model of volunteer dedication, strategic thinking, and enthusiastic leadership. We are so fortunate and pleased to have Dick here in our community.” The Presidents Club of Dayton agrees with Mr. Parks and believes General Reynolds is a role model for not only the many retired military men and women in our area, but for all volunteer servant leaders in our region. The Presidents Club of Dayton is honored to recognize Lt General (retired) Dick Reynolds at its annual luncheon event on Thursday, October 7, 2021, at the Dayton Convention Center from 10:30 a.m.-1:15 p.m. Sponsorships and tables are available to honor General Reynolds by contacting Phil Parker at 937478-3000 or emailing [pparker@dacc.org](mailto:pparker@dacc.org). The proceeds from this event go toward sustaining the

Presidents Club scholarships at Sinclair Community College for active student volunteer leaders in our community.

**The Presidents Club of Dayton was founded in 1932 by a group of local business leaders who sought to support and stimulate volunteer servant leadership in the Miami Valley through citizens’ active participation in service clubs, churches, schools, nonprofit organizations and government. The organization’s leadership and work of advocating and championing volunteer community service have continued without interruption for almost 90 years.**

### **Organization Speaker Programs - Community Information Leaders**

To support our PCoD members and the public, this section provides a list of area information leaders, whether they be not-for-profits; elected officials and/or specific topic experts. These individuals, if contacted, may make themselves available to speak at club meetings or special events and share important programs, projects, issues, or topics with audiences about our community and perhaps where additional volunteer leadership can play an important role in the success of these programs.

This list may change from time to time to keep it updated. But it is a great reference guide to many areas of arts, social services, business, government, and education in our community.

### Presidents Message

The holiday season is here, and Thanksgiving is just around the corner. There has been so much sadness these last two years living through this COVID-19 pandemic and being quarantined for months, having limited contact with family members, businesses closing, and the loss of loved ones and friends. Life has a purpose and value. The friendships created within our service organizations is priceless. Sharing a common purpose that is meaningful to our communities gives our members joy and relevance. When people feel that they are contributing to society in a positive way, there is "healing."

We need to show gratitude for what we do have and the grace that God has given us to thrive under these tense circumstances.

Let us focus on growing our service organizations and increase our membership to the Presidents Club of Dayton.

My goal is to create name recognition for the Presidents Club of Dayton and its member organizations. There are people in the community who would like to participate in an organization that works for causes that interest them but, they are not aware of who those are. We must bring awareness to the public about the options that are there for volunteerism. What we do cannot be a secret anymore.

Put our monthly one-hour lunch meetings (the third Wednesday of every month) on your calendar and listen to speakers who can bring informative material to share with your membership. Subscribe to our monthly newsletter and submit any flyers and information you would like to share in the newsletter to Tony Massoud before the first of every month. Email Tony at: [www.presidentsclub@aol.com](mailto:www.presidentsclub@aol.com)

### **Organization Speaker Programs - Community Information Leaders**

To support our PCoD members and the public, this section provides a list of area information leaders, whether they be not-for-profits; elected officials and/or specific topic experts. These individuals, if contacted, may make themselves available to speak at club meetings or extraordinary events and share important programs, projects, issues, or topics with audiences about our community and perhaps where additional volunteer leadership can play a key role in the success of these programs.

This list may change from time to time to keep it updated. But it is a great reference guide to many areas of arts, social services, business, government, and education in our community.

### Presidents Message

The holiday season brings so much joy, excitement, and anticipation. Remember, you are blessed to be a blessing. Non-profit organizations ask for last-minute tax-deductible donations, monetary and commodities. These requests are contributions that, if chosen wisely, can benefit our local communities. Think, not too long, about the end-of-year gift (s) you would like to make and do it.

We are still on the precipice of COVID-19 and the many variants that want to rear their ugly head. What are we to do? We need first to understand that science is ever evolving, and scientists are who we need to listen to. I am one of the fortunate few in this country who lived to receive a pacemaker. Not only am I grateful for this remarkable technology, but I also have the latest and most incredible device. When I talk about science evolving, my dad had a pacemaker and lived twenty-two years after surviving a catastrophic heart event. I have friends who have pacemakers also. When we talk about evolution, Pacemakers are improved so that people can now have MRIs with a pacemaker, that is just one of many improvements. MRI machines have evolved to accommodate people with joint replacement devices now, also. Medicine and medical devices are continuously improving. In real-time, we are experiencing science at work to protect humankind from this dreaded plague. We must be patient and do essential compliance (wearing masks, social distance, washing our hands often, and utilizing the vaccines). That is what we can do until all of humankind is vaccinated, and this virus and or variant(s) are quelled. We cannot forget that there is more to our health than COVID-19 (yikes).

We are in the season of what Christians call Advent, Hanukkah is celebrated, Christmas, Kwanzaa, and other religious ceremonies are celebrated during December. No matter your religious preference, enjoy your holiday season.

Put our monthly one-hour lunch meetings (the third Wednesday of every month) on your Calendar and listen to speakers who can bring informative material to share with your membership. Subscribe to our monthly newsletter and submit any flyers and information you would like to share in the newsletter to Tony Massoud before the first of every month. Email Tony at: [presidentsclubdayton@aol.com](mailto:presidentsclubdayton@aol.com)

Use our website to register your events and update your organization's information on our Calendar. We offer members the use of our Zoom account for virtual meetings also. Go to: [www.presidentsclubdayton.org](http://www.presidentsclubdayton.org).
