Happy New Year to Everyone!

I hope you all had a wonderful Christmas and were able to spend time with family and friends. I had a great time with my family. We did have a bit of excitement on Christmas Eve when my son-in-law accidentally let my dog and one of his dogs slip outside without their leashes. My dog is a whippet mix and loves to run. She was through three of my neighbors' yards before my son-in-law could get the rest of

the door open. It snowed that night which was a blessing for us. Both dogs are black, so it was easier to see them in the bright snow. Fortunately for my son-in-law, both dogs were caught and returned home unharmed. He gets to remain in the family.

Thanks to all the people who were able to make it to our meeting last month. We had a great crowd and an excellent speaker. Bart Kincaid with the Montgomery County Sheriff's Office came and gave us a wonderful presentation on internet security. It was a real eye opener. I learned several things about security on the internet. I made some changes to what I had been doing based on what he told us. His presentation is on our website if you want to watch it. I highly recommend you ask him to come present to your club. Everyone should learn many of the tools to prevent hacking, visit our Facebook page to watch two videos of Bart Kincaid's presentation. Visit <https://www.facebook.com/presidentsclubdayton.org/> to see both programs and like our website.

This month's meeting will be another great meeting. We are going back to having three speakers and let me add, they are all fantastic. This is a meeting you will not want to miss. It will be on Wednesday, January 17th at 11:30AM at the Masonic Temple. Leslie will have another great buffet in the café that day. In case you did not know, the café is open Monday through Friday for lunch. It is a great place to eat when you are in the downtown area. Try it sometime.

Our first speaker is Judge William Clark. He will be representing the Lincoln Society of Dayton, a nonprofit corporation founded in 2003 to perpetuate the memory of Abraham Lincoln for all he did for our country. This will be very interesting for all us history buffs.

Speaking of history topics, our second speaker will be Hope Taft, former first Lady of Ohio. She will be presenting on the Little Miami River. Did you know the Little Miami River was the first river in Ohio to get designations for both state and national scenic rivers? Mrs. Taft will speak on the importance of this river and clean water to our area. 2018 is the 50th anniversary of the state and national scenic river act.

Our third speaker will be Chuck Williams from Clear Captions. We rescheduled him from November. He will be sharing with us their program on free caption phones for individuals with a hearing loss. This is a wonderful service and I don't think everyone who qualifies for this know about it.

As I said, we have three great speakers lined up and you will not want to miss this meeting. Please invite some of your club members and non-club members to attend. Everyone is welcome.

We do have a few events coming up that I want to share with you. The Riverdale Optimist Club is gearing up for our Super Bowl Squares game and party on Super Bowl Sunday. You can purchase a square from any Riverdale Optimist Club member for a \$100 donation. If you square has the score at the end of the first, second, third and fourth quarters, the end of the game and with every score change, you win some money. You could win \$1000 just for having the score at the end of the game. There will be a party at Harrigan's to watch the game, but you do not have to be present to win the money. See the attached flyer for more information. You can contact Joe or Barb or buy a ticket from me at our meeting on 1/17/18.

Also, club presidents and Presidents Club of Dayton Past Presidents should be receiving a letter and application soon for nominations for our 2018 Citizen Legion of Honor Recipient. Start thinking now of who you would like to nominate. You can get an early start by downloading the application from our website.

Have a Happy New year, I wish every one of you and your clubs the best for this year. I hope we all see growth in our clubs and continue to serve others to the best of our abilities.

Happy New Year!

♥ Happy Valentines Day ♥

Happy February!

For a short month, February has a lot of special days. We start with Ground Hog day. Hopefully, he sees his shadow and we will have an early spring. After this, we have Valentine's Day. Have you bought your candy and flowers yet for that special someone? This year, Ash Wednesday falls on Valentine's Day as well. We also have President's Day on the 19th of the month. There are other holidays, depending on which calendar you use, but these are my favorites for the month.

I have to recap our meeting last month. It was wonderful! Our attendance continues to climb and our speakers continue to be outstanding. I heard only positive comments from everyone who attended. Chuck Williams started us off by showing us the caption phone. This is a great phone for anyone who has a hearing deficit. The best part about it is that it is free. If you now someone who has difficulty hearing and could benefit from this caption phone, get in touch with Chick and he can help.

After this, we had Judge William Clark tell us about Abraham Lincoln and his famous trip to Dayton, Ohio prior to joining the race for the Presidency. Did you know his picture without his beard was made right here in Dayton? Judge Clark does a great job education everyone on the life of President Lincoln. Judge Clark is with the Lincoln Society of Dayton. They are always looking for new members. If you are a fan of President Lincoln's, you might want to contact the society and attend a meeting.

Our last speaker was Hope Taft. This former first lady of Ohio presented on the Little Miami River Kleeners and the Little Miami Watershed Network. This is a great organization dedicated to cleaning up and preserving the Little Miami River. They are celebrating their 50th anniversary this year. Hope's goal is to present to 50 organizations to promote the river. Please contact her and have her speak at your club. Your members will enjoy it.

I think this month's meeting will be just as good as last month's. Please put it on your calendar now and plan to attend. We will meet on Wednesday, February 21st at 11:30Am at the Masonic Temple. Celebrate President's Day on the 19th, then come celebrate with us on the 21st. It can be a whole week of Presidents events.

We will start our meeting with Dr. Juli Burnell, the founder and director of Ellie's Rainy Day Fund. This organization assists families in need to obtain medical care for their pets. Veterinary bills can be so expensive and many times a family cannot afford it. Ellie's Rainy Day Fund may be able to help.

Next we have Megan Butcher, the Business Development Specialist from Heartland of the Dayton area. She is going to tell us all about Heartland and what they do for their residents and the community at large. I have been to some of their community meetings and they do a great job in meeting the needs of our community. Megan will tell us more about this.

The Presidents Club

February, 2018 Newsletter

We also have Susan McGovern with Diabetes Dayton joining us. They assist individuals and families effected by Diabetes in the Dayton area. Please note, this organization is not affiliated with the national organizations like the American Diabetes Association or Juvenile Diabetes Research. Diabetes Dayton focuses only on the Dayton area, so all monies they receive come from area donors and are used for Dayton area residents.

As you can see, this will be a great meeting and I hope everyone can join us. Please remember, meetings are open to all club members and visitors. Bring a guest with you.

We have a few events coming up this month. We will be sending out nomination forms for **the Citizen Legion of Honor Award recipient**. You can also go to our website and download the application. We will also be taking nominations soon for our **Outstanding Volunteer Breakfast** on Thursday, May 10th. Each club can nominate one of their members and someone in the community to receive this award. So save the date and pay your membership dues.

The Centerville Lions are selling booklets for the Elder Beerman's Community Day Sale in March. You can purchase a book from me, any member or online. The cost for each book is \$5.00. Each book contains a \$10.00 coupon to be used either online or in the store. There are other coupons in the book, totaling over \$500 in savings.

Calling all golfers and sponsors for the Bob Chiles Golf Outing. This will take place on Friday, May 11th at the Twin Base Golf Course. This is a joint venture with the Presidents Club and the Miami Valley Military Affairs Association. This is a fund raiser and money raised goes to support the Fisher House at WPAFB and others. It is a great time. We are looking for sponsors. Your club can sponsor a hole for \$100.

As always, please let us know of any activities your club has. We can help get the word out for you.

Have a wonderful month. Hope to see everyone on the 21st!

Hello, Happy St Patrick's Day and Happy March Madness!

March is another one of my favorite months. I have always enjoyed St Patrick's Day. Green is my favorite color. I also enjoy watching some of the basketball games and seeing who makes it into the final four and the championship game. Hopefully, this will be another good year for this.

Thanks again to all the people who attended our February meeting. I have heard from so many that it was a great meeting. I have to agree. We had a wonderful turn out and everybody enjoyed the speakers and the chance to network with each other. No one wanted to leave. Our speakers last month were Julie Burnell from Ellie's Rainy Day Fund; Megan Butcher from Heartland and Susan McGovern from Diabetes Dayton. You can watch the videos of last month's speakers on our Facebook page. Tony does a great job doing this for us.

We have three more outstanding speakers scheduled for this month. I hope everyone from last month and many more of you will join us. Please mark your calendar now so you can make sure you are there. Even though it will be after St Patrick's Day, you can still wear green! Tony Massoud won the green contest last year.

Our speakers this month will be Kim Bramlage, Marketing and Communications Director for the Five Rivers Health Center. She will inform us about their program and the services they offer there. They serve a lot of people in the Dayton area that may not otherwise be able to obtain good healthcare.

Also joining us will be Greg McAfee from McAfee Heating and Air and The McAfee Foundation for Children and Youth. Greg will be speaking on the leadership lessons he's learned over the years, McAfee Foundation for Children & Youth, and the impact of being involved in community has on both strengthening a community and growing business.

Our third speaker will be Jeanene Popp with the KAP program. KAP for the Heart raises awareness about heart conditions in both youth and young adults and to provide financial assistance to families with children who have heart conditions and are in need of support for daily tasks and/or financial assistance for medications and proper treatment. On September 3, 2015, Jeanene lost her only child to Sudden Cardiac Arrest. This tragedy inspired her to begin this foundation in his memory.

We do have a few activities coming up in the next few months. Remember the cutoff date to nominate someone for the Citizen Legion of Honor Award is March 16th. Please get your forms in as soon as possible. The committee will begin the selection process shortly after this. The luncheon will be held on Thursday, October 4th at the Dayton Convention center.

The Outstanding Volunteer Award breakfast will be held on Thursday, May 10th at 7:30AM at the presidential Banquet Center in Kettering. Please get your nominations in for this by May 1st. Each club can nominate two club or community members for this award. Please see the form below for additional information and ticket order forms for this.

May 11th is the 38th annual Bob Chiles Classic Golf Event. This is held at the Twin Base Golf Course in Fairborn. We have great golf, a lot of fun and raise money for the fisher house on base, the USO and others. Last year we donated over \$12,000 to the Fisher House. Our goal is to do this and beyond this year. Please consider sponsoring or playing in this tournament. More information on this is listed below. Again, it is a lot of fun and for a great cause.

If you have any upcoming activities, please let us know so we can list them here for you and on our Facebook page. Let us help you spread the word about your event.

Please invite your club members and anyone else you think would enjoy our speakers to attend our meetings. It is a great way to meet new people and have a great meal. Leslie in the café always has a delightful buffet on Wednesday or you can order off the menu. Either way, you will not be disappointed. The café is open Monday through Friday, so you can enjoy a meal there any day for lunch.

Have a great month, looking forward to seeing everyone soon.

In an effort to support our PCoD members and the public, this section is dedicated to providing a list of area information leaders, whether they be not-for-profits; elected officials and/or specific topic experts. These individuals, if contacted, may make themselves available to speak at club meetings or special events and share important programs, projects, issues or topics with audiences about our community and perhaps where additional volunteer leadership can play an important role in the success of these programs.

This list may change from time to time in order to keep it updated. But it is a great reference guide to many areas of arts, social services, business, government and education in our community.

Happy Spring! I hope everyone had a wonderful Easter Holiday and were able to spend quality time with family and friends. I enjoyed the chocolate eggs!

I remember my grandmother always said March comes in like a lion and goes out like a lamb. I think someone needs to remind Mother Nature of this. I think she is still in the Lion mood!

We do have some sad news to pass on. One of our former Presidents, Charles Kinter passed away on February 27, 2018. He was our President from 1996 through 1997. According to fellow Optimist, Charles was instrumental in getting school administrators to support the Optimist Oratorical Contest during his term. It is now the longest running program in Optimist International. Charles was a member of the Dayton View Optimist Club. Our thoughts and prayers go out to his family.

I was not able to attend our March meeting, but I heard all of our speakers did a great job and provided everyone with a lot of information. I know I have seen their names in some other upcoming meetings for some of our members. Thanks to everyone who attended and thanks again to our three speakers, Kim Bramlage from Five Rivers Health Center; Greg McAfee from McAfee Heating and Air and the McAfee Foundation for Children and Youth; and Jeanene Popp with the KAP program. You can see their presentations on our Facebook page. Again thanks to Tony Massoud for doing a great job recording this and getting it posted on Facebook.

Two Events that we know of in April, you can support Tony and the Civitan Club raise money to help the kids in our community through Junior Achievement. To sponsor Tony in the 2018 Dayton Bowl-a-thon, click the link below to make a \$5, \$10 or more donation visit:

<https://intelis.net/2018DaytonBAT/peHome.html?A=21758>

The other event is the Dayton Arab American Forum, (DAAF) with an annual event at Country Club of the North April 28th, see flyer for details.

Our next meeting is Wednesday, April 18th. I find myself once again thinking of how great these speakers will be. I hope everyone enjoys hearing these presentations as much as I do. I keep adding to my list of favorites. This month we will have three new favorite speakers. We have Bill Breed from Dignity Memorial who will share the importance of preplanning. I know many people do not like to talk about this, but I am a firm believer that it is the best gift you can give your loved ones.

We will also have Joyce Kasprzak, the Executive Director of Children's Historical Publishing Company. Her company has created 30 titles and delivered over 560,000 Learning Activity Books with Teacher Curriculum Guides to local schools. All of you Dayton history lovers may want to attend and pay close attention. These books are centered on local history.

The Presidents Club

April 2018 Newsletter

Our third speaker will be Jan Underwood with the Dayton League of Women Voters. She is going to tell us all about issue 1. So for those of us that like to be informed before we walk into to vote, Jan can help. You can ask her questions about issue 1 and what this will mean to you.

Like I said, another group of great speakers. Please plan on attending so you can hear all of them.

We have a brand new activity scheduled for June 20th. This is the first time we have tried this, so I am hoping to see representatives from each member club present. Our June meeting, will be held at Sinclair instead of the Masonic Temple. We will meet in Building 12 at Sinclair, have lunch and see our plaque for the donations we have made to the Sinclair Foundation for our scholarships. Last year, we went over the \$250,000 mark and received this plaque. Our speakers will be staff and students from Sinclair. Cost for this luncheon will be \$10.00 per person and must be prepaid. Details of this are attached and will be on our Facebook page and website. I am really looking forward to this and hope to see everyone there.

The nominations are in for the Citizen Legion of Honor Award. The selection committee will be meeting soon to select the recipient. Please get your forms in as soon as possible. The luncheon will be held on Thursday, October 4th at the Dayton Convention center.

The Outstanding Volunteer Award breakfast will be held on Thursday, May 10th at 7:30AM at the presidential Banquet Center in Kettering. Please get your nominations in for this by May 1st. Each club can nominate two club or community members for this award. Please see the form below for additional information and ticket order forms for this.

May 11th is the 38th annual Bob Chiles Classic Golf Event. This is held at the Twin Base Golf Course in Fairborn. We have great golf, a lot of fun and raise money for the fisher house on base, the USO and others. Last year we donated over \$12,000 to the Fisher House. Our goal is to do this and beyond this year. Please consider sponsoring or playing in this tournament. More information on this is listed below. Again, it is a lot of fun and for a great cause. If you have any upcoming activities, please let us know so we can list them here for you and on our Facebook page. Let us help you spread the word about your event.

Please invite your club members and anyone else you think would enjoy our speakers to attend our meetings. It is a great way to meet new people and have a great meal. Leslie in the café always has a delightful buffet on Wednesday or you can order off the menu. Either way, you will not be disappointed. The café is open Monday through Friday, so you can enjoy a meal there any day for lunch.

Have a great month, looking forward to seeing everyone soon.

Happy May! I think all the rain from last month definitely helped the flowers. Everything is so pretty right now.

What a busy time this is for us. The outstanding volunteers of the year breakfast is Thursday, May 10th. We have some great people nominated this year. I hope everyone can join us for this. Bob and Barbara Mills will be our guest speakers. If you have not ordered a ticket, it is not too late. Just give us a call and we will save you one at the door.

We have also been preparing for the Bob Chiles Golf Outing. This is on Friday, May 11th. We had a great response for this and are sold out! We are hoping for a beautiful day for this event. It is no fun to play golf in the rain!

All of this and a wedding in my family this month. My son is getting married. With all of these events happening at the same time, I may have to take a month off to reenergize!

Last's month meeting was another great one. Bill Breed from Tobias Funeral home or Dignity memorial gave us information on the importance of preplanning. Everyone should consider doing this. It really is a gift to your family.

Joyce Kasprzak, the Executive Director of Children's Historical Publishing Company shared her books with us. What a great program she has for the children in our area. Her books on the history of the VA and Women in Aviation were my favorites.

Jan Underwood with the Dayton League of Women Voters came and spoke to us about Issue 1. Please remember to vote this month.

Our next meeting will be Wednesday, May 16 at 11:30Am at the Masonic Temple. We have three great speakers scheduled for this meeting as well.

We have Anisa Ballard with Buckeye Health plan. She is going to tell us about the Buckeye plan and how Medicaid works with Medicare.

We also have Rick Harmon with the reentry program here in Montgomery County. Join us to hear how this works and what the process is for individuals being released from prison or jail.

We have Patty Iaos from Elders Advisory Services. She will present on her agency and how they help seniors in need. They offer many services to seniors to help them stay safe in their homes and with their finances.

Please plan on joining us as this will be a great meeting.

We have a brand new activity scheduled for June 20th. This is the first time we have tried this, so I am hoping to see representatives from each member club present. Our June meeting, will be held at Sinclair instead of the

Happy Summer! I hope everyone had a great Memorial Day Weekend. Thank you to all our veterans for their service.

The month of May really was a busy time for us. Our volunteer breakfast went very well. I think everyone had a great time. Bob and Barbara Mills were our guest speakers and awarded everyone their certificates. David Ladd also joined us as our guest minister. Thanks to all of them for helping make our program great. Congratulations to all our honored volunteers. Thanks also to everyone who attended. We know it was early, but it is a breakfast after all. Please see the power point presentation to learn more about our honored volunteers. Tony Massoud did an outstanding job on this again this year. The pictures are on our website and Facebook.

The next day was the 38th annual Bob Chiles Golf Outing. This was another early day for many of us. I love to be out on the golf course and hear them play the Reveille to start the day. It was another successful event for us and the Miami Valley Military Affairs Association. Members of the Centerville Noon Optimist Club won for the second year in a row! We once again raised a lot of money for the Fisher House, the USO and others. Thanks to everyone who participated either as a sponsor, golfer or volunteer. You are all appreciated. The best part for me was I got to keep my golf cart for the day and was not left out on the 14th hole all by myself. Pictures from this can also be seen on Facebook.

The week after these, we had our regular meeting. It was very interesting. Anisa Ballard from Buckeye was not able to join us, so I gave a quick presentation on Medicaid and Medicare and how these work together. I spoke on how Medicaid can help us with requests for donations. Our Lions clubs get a lot of requests to help individuals pay for their eye glasses and exams. Medicaid and Medicare might cover the cost of some of these expenses.

Rick Harmon with the re-entry program here in Montgomery County informed us about his program and how this all works. You really want to get on Rick's email list if you want to keep up to date on what is happening in our area.

Patty Iaos from Elders Advisory Services also joined us and gave a great presentation on her agency and the importance of planning ahead. Without a will or power of attorney, your wishes may not be carried out the way you want them to be. Patty can help you with all of this.

If your club has not scheduled these speakers to present, you should do so soon. Everyone was very informative.

We have a brand new activity scheduled for June 20th. This is the first time we have tried this, so I am hoping to see representatives from each member club present. Happy 4th of July. I hope everyone has a safe and happy 4th. Watch out for the fireworks. My husband and I will be watching the fireworks up at Indian Lake. They always have a very impressive show. Our weekend started out rough by having to take our dog to the emergency vet. She ate some bird seed. A raccoon had knocked the bird feeder out of the tree and spilled the food all over the ground. Rizzo, along with several squirrels, a fox and this raccoon helped herself to a mouthful before Spencer could stop her. This upset her stomach. She ended up with an IV and meds to treat this. Needless to say, the bird house has been moved.

Have you heard the news? We have announced the 2019 Citizen Legion of Honor Recipient. It is Jenell Ross, the President of Bob Ross Auto Group. There are numerous reasons why Jenell is deserving of this award including her establishment of the Norma J Ross Foundation in honor of her mother who lost the battle with breast cancer. Attached please find the news release. I am so glad this was finally published. It is hard for some of us on the committee to keep a secret! We are really excited about this. Please plan on joining us on October 5th to help us honor her. Congratulations Jenell!

Thank you to everyone who attended our meeting last month at Sinclair. It was a huge success. I have heard from many of the attendees that they really enjoyed this meeting. Madeline Iseli, Senior VP for Advancement updated us on the happenings at Sinclair. They have so many wonderful programs. She also discussed our own scholarships and how these are doing. Following this, one of our past scholarship recipients, Marta Robinson, presented on what she has been doing since then and how much she loves Sinclair. All of the alumni in the room agreed with her. In addition to these two speakers, Kates Brommlande with the Student and Community Engagement office brought several leaders of some student clubs. They shared what they are doing on campus and their plans for the future. It was a great meeting. We hope to do this again next year. Make sure you check out the videos on our face book page to hear Madeline and Marta. Thanks again to Tony Massoud for recording these for us.

Another positive thing from last month was the Exchange Club of Dayton receiving the National Exchange Club Service Award. Khadijah Ali, our current President Elect is the current president for this club. She and the incoming president for the Exchange Club, Ted Greenwood, accepted this award. Congratulations to them and the entire Exchange Club.

I hope you are planning on joining us for our next meeting on July 18th. We will be back at the Masonic Temple. Please plan on joining us and bring some of your club members and friends. Everyone is welcome. We have three great speakers planned. We have Judge Erik Blaine from the Montgomery County Common Pleas Court.

We also have Katie Klein, the Development Manager for the Glen at St Joseph. She is going to tell us about the program the Glen is for single moms who are trying to improve their life situations. The Riverdale Optimists had the opportunity to visit the Glen and hear about this remarkable program from Katie. What a treat this was. Please see the attachments following her bio for some upcoming activities they will be having soon at the Glen.

Rounding out our speakers is Kim Willis from Pinnacle Senior Home Care, Visiting Physicians Association and Grace Hospice. She is going to share what her programs do and how all three of these combine to provide outstanding care to individuals in need. You can read more about Kim and her volunteer work with the Alzheimer's Association in the attachment following her bio. She has been volunteering with them for a while. Both of her parents were diagnosed with Alzheimer's so she understand what the family goes through. I know these experiences assist her in relating to the others in need she works with now.

This will be a very informative meeting that you will not want to miss.

August 2018 Newsletter

Happy August. I was looking for the best picture to represent August and found several summer related themes and also back to School. This summer went really fast and I know some of the kids are not looking forward to school starting again. I know some adults, myself included, who have enjoyed the lack of school buses on the streets. I always seem to get behind one when I am in a hurry to get somewhere.

The start of school also means the start up for some of our clubs who do not have regular meetings in the summer time. I look forward to hearing from our clubs about their upcoming fall projects.

Tickets should be going on soon for our Citizen Legion of Honor Luncheon. If you have not heard the news, this year's recipient is Jenell Ross, the President of Bob Ross Auto Group. Please plan on joining us on October 5th to help us honor her. It would be great to see all of our clubs represented with many, many members.

I know some of you missed our meeting last month. (You missed some really great speakers.) We do apologize for any confusion over the meeting being cancelled. An invite was sent out in error cancelling the meeting. It was rescinded, but I don't think everyone received the second notice.

The speakers last month included Judge Erik Blaine. It was a pleasure to hear about his court room and many of the things he has been doing. He will be joining us again in October.

Katie Klein and Emma Snell joined us from the Glen. It was great to hear first-hand from a Glen Graduate about their program. Emma graduated from the Glen and is now a full time employee there.

Kim Willis from Pinnacle Senior Home Care, Visiting Physicians Association and Grace Hospice also joined us and gave us information on all of these programs. It is so wonderful to have Physicians and nurses that will visit

Our meeting this month will be another great one. We are scheduled to meet on August 15th. This is an early meeting this month as the third Wednesday comes earlier in the month. Make sure you attend. We have Hannah Byrd from New Beginnings for Youth. She will share information about their program and upcoming rally on August 25th. Their mission is to advocate, educate and inspire youth, young adults and families to become positive, productive citizens.

Joining Hannah will be Jan Hollon and Heather Robinson from the American Cancer Society Road to Recovery to discuss their program. Jan is a volunteer with the transportation department and transports patients to and from their treatments.

Our third speaker will be Brandon McClain, the Montgomery County Recorder. He has a new program to help keep your titles safe. He will share this with us. It will be informative.

Please see all our speakers' bios and come prepared to learn and ask questions.

We have some activities coming up this month. Please see the attached flyers. The Miamisburg Lions are looking for golfers and sponsors for the golf outing on Saturday, August 25th at Pipestone Golf Course. The Ohio Lions are having their 2nd annual STEPs run to benefit pediatric Cancer. All proceeds go to the Dayton and Cincinnati Children's Hospital. The Civitan's will be having their annual Quackers Party on August 16th from 5:30 to 8:00PM. Come down to Uno's and buy a Quack (six) pack of ducks for the Duck Regatta. This is always a great time.

As always, if you have any upcoming activities, please let us know so we can list them here for you and on our Facebook page. Let us help you spread the word about your event.

Please invite your club members and anyone else you think would enjoy our speakers to attend our meetings. It is a great way to meet new people and have a great meal. September 2018 Newsletter

Hello, Happy September. I hope everyone had a great Labor Day. We spent it at Indian Lake, participated in the Ring of Fire and went to our niece's wedding. It was a beautiful wedding and a great, relaxing weekend. As you may know, I am in the Medicare Advantage business and my busiest time of the year, Annual Enrollment, is coming up next month. I already have several appointments and presentations scheduled for October, so I cherish these relaxing weekends in September.

Tickets should be going on soon for our Citizen Legion of Honor Luncheon. If you have not heard the news, this year's recipient is Jenell Ross, the President of Bob Ross Auto Group. We are very excited about this as Jenell is so deserving of this award. It will be my last Citizen Legion of honor Luncheon as President. I will be stepping down and Khadijah Ali will be taking over as President. I know she will do great things for our club. Please plan on joining us on October 5th to help us honor Janell and watch Khadijah take over as our President. It would be great to see all of our clubs represented with many, many members.

If you missed last month's meeting, you missed three awesome speakers. We did have a few speaker changes than what we originally published in our newsletter. Jan Hollon from the American Cancer Society was not able to make it, so Heather Robison brought Dan Spiller who has been volunteering with the program for over 4 years. He shared his experience as a driver for the Road to Recovery Program. What a rewarding experience to transport individuals to their cancer treatment appointments. This is a true volunteer with a heart of gold. They are looking for more people to do this if you are interested.

We also had a change and had Sherry Aldridge, the CEO of New Beginnings present instead of Hannah Byrd. We were so impressed with her program and what it does for children. Their mission is to advocate, educate and inspire youth, young adults and families to become positive, productive citizens.

We also had OUR Montgomery County Recorder, Brandon McClain attend our meeting. He is doing great things in Montgomery County. Check out his website and learn more about his FRAUD ALERT NOTIFICATION SYSTEM (FANS) and his Veteran ID card programs. If you own a home or are a veteran you really want to sign up for these free programs. They could save you money and problems in the future.

Like I said, it was a great meeting!

This month's meeting will also be a great meeting that you will not want to miss. We have Mike Miller, the Executive Director from the Dakota Center. He will share information about the programs they have there for children, seniors and the community.

We also have Holly Beard with Parrot Promo Essentials. She will be informing us about her business and how she and her mother are able to assist clients with their promotional needs.

We have Carrie Scraff from Five Rivers Metro Parks coming back to talk to us about their new upcoming levy. Everyone enjoyed hearing about the parks plans for expansion last year, so we are excited to have Carrie back with us again.

As always, if you have any upcoming activities, please let us know so we can list them here for you and on our Facebook page. Let us help you spread the word about your event. We did for the Civitan's Quack Party last month. I went and had a great time. It is not too late to buy a duck or a Quack pack for the 15th URS Annual Rubber Duck Regatta on September 15th. Contact a member of the Civitan's Club to purchase these. I am hoping I have the winning duck. I told Lauren King I only wanted to buy the winning duck at the party. Hopefully, this is the one she gave me.

Please invite your club members and anyone else you think would enjoy our speakers to attend our meetings. It is a great way to meet new people and have a great meal. Leslie in the café always has a delightful buffet on Wednesday or you can order off the menu. Either way, you will not be disappointed. Please Note change for November's meeting. As the third Wednesday of November falls on the day before Thanksgiving, we have decided to move the meeting up one week. We will meet on the second Wednesday of the month which is Wednesday, November 14th. Please mark your calendars now.

We will soon have polo shirts and hats that can be ordered. They will have the Presidents Club's logo and can be personalized with your name if you like. We will list it on Facebook and our website when the order form is ready. Holly Beard from Parrot Promo Essentials is handling this for us. We are really excited about this. This is not a fundraiser, just an opportunity to show your pride in being part of the presidents Club of Dayton. Holly will be presenting at our meeting and will also have shirts to show everyone and explain the ordering process.

Contact me if you have any questions about the Presidents Club or if you need a speaker for one of your meetings. We are happy to help you with this. I can also speak to your club about Medicare and what is available for 2019.

Have a great month, looking forward to seeing everyone soon.

Holly Beard, Owner, Parrot Promo Essentials.

Holly Beard is the owner of Parrot Promo Essentials. Parrot Promo Essentials is a family owned and a certified woman owned business established in 1996 by Kim Massie, Holly's mother. Due to their expansion, it was important to make sure they could focus on their customers and their needs instead of worrying about the backend part of their business. As a result, three years ago, they joined forces with Proforma Albrecht. Proforma Albrecht does all their invoicing and ordering and brings to them the immense purchasing power that allows them to give their customers the very best pricing. Kim and Holly value their customers and the friendships they have built with them over the years. When they work with businesses, they focus on bringing value through marketing solutions by offering unique ideas that are designed to create the most return on investment of the dollars you spend.

When not working, Holly enjoys spending time with her husband and two sons. She is also an active member of the Miami Valley Military Affairs Association and is the current chair for the Bob Chiles Golf outing.

Mike Miller, Executive Director, the Dakota Center.

Mike Miller was born in Xenia OH and moved to Dayton when he was 9 years old. Mike lives in Oakwood with his wife, Linda and they are the parents of two sons attending college in Ohio. Mike graduated from Denison University with a double major in Political Science and History. In May of 2017, he earned his Master of Divinity from United Theological Seminary. Mike is also in his 3rd term as an Oakwood City Board of Education member. Mike's business background is rooted in the motivation industry helping for 18 years to lead a small company's growth to almost 20 employees with annual revenues exceeding 16 million when the company closed in 2011. Mike decided to leave the for profit world for the for purpose world when he enrolled at the seminary. He is currently employed as the Executive Director of the Dakota Center.

The Dakota Center's mission is to provide a safe community atmosphere engaging Dayton neighborhoods and people of all ages in programs that educate the whole person.

The center is currently in its sixth decade of service tracing back to the vision that the Center's founders, Philip C. Hoelle, S.M., and William Hoben, had of building a community where there is education for the whole person—mind, body, and spirit.

The center's original location was the old St. Emerick Social Hall on Dakota Street. A fire destroyed this facility in June 1974. The Dakota Center continued its programs at 408 N. Conover Street, using the Holy Name Church facilities. In 1976 Dakota Center moved to the MacFarlane neighborhood and operated out of a converted carriage house for nearly 25 years. Money set aside by the Society of Mary and funds raised from local individuals and foundations allowed for the construction of a new facility at Barnett and West 5th Streets. Staff moved their offices in October, 2000, and the new Dakota Center was dedicated in May, 2001.

Since that time, the Dakota Center has become a landmark in the MacFarlane neighborhood and offers a full calendar of activities. Clients number more than 1,350 who are involved in two or more programs per year. Accomplishments include students kept in school and alumni who contribute to society.

Happy Halloween! I know I have told you before, but this is my favorite time of year. I love Halloween and fall. As it is also Annual enrollment for Medicare, I don't get to enjoy it as much as I would like, but I still find time to decorate, outfit my dog in her costume and hand out candy for Trick or Treat. We love to see the kids dressed up. My dog, Rizzo, likes to see what is in their bags, but I like to see their creativity.

This will be my last newsletter, so I wanted to take this opportunity to say Thank you again for all of your support during my Presidency. I have really enjoyed being the President of The Presidents Club of Dayton. I have enjoyed meeting members of all of our clubs, community members, and all our guest speakers. It has been a very positive experience for me and I appreciate the opportunity so much. I want to thank the Lions and the Riverdale Optimist for allowing me to be a part of our clubs and showing me what a service club really is. It is so amazing to help others in the way we do. I also have to especially thank the board of the Presidents Club for their support and most notably, Al Jecker and Tony Massoud for always being there to help me. I love all of you and could not have done this without you. However, I am happy to be the immediate Past President. I look forward to our new President Khadijah Ali's term. I know she will do a great job. Congratulations to her for being named President.

As you know, we recently had our 68th presentation of the Citizen Legion of Honor Award. This year's recipient was Janell Ross. The luncheon was a great success. Janell was so inspiring to all of us. Make sure to support her cause in the upcoming Strides for Breast Cancer. Thanks again to Phil Parker, Bob Liebold, Marcia Bostick and all of our board for making this event special. Please see our Facebook page and next month's newsletter for pictures. <https://www.facebook.com/presidentsclubdayton.org/>

As always, we had a great meeting last month. I have heard from so many people how wonderful it was, even from our speakers. We had Mike Miller, the Executive Director from the Dakota Center. He shared information about the programs they have for children, seniors and the community. I have been there several times this year for events and have to tell you, it is wonderful. What they do for the community is awesome.

We also had Holly Beard with Parrot Promo Essentials. She gave us an insight into her business and how she and her mother are able to assist clients with their promotional needs. You can order these on our website. We thank Holly for making this happen for us. The shirts are awesome. Order your Presidents Club of Dayton shirts and hats. Use this link <https://www.cognitofirms.com/Prof.../ThePresidentsClubOfDayton>

We also had Carrie Scraff from Five Rivers Metro Parks who came back to talk to us about their new upcoming levy. We love our parks and need to support them. It was great to hear what the plans are for this.

Our October meeting is going to be awesome. It will be President Khadijah's first meeting as president, so please come out and support her. We have three great speakers. We invited Judge Erik Blaine back again and look forward to hearing more about the programs he has implemented since he has been in office. He can tell us more about his WILL (not WHEEL) program. This is such a great program that everyone should hear.

Kevin Dye, the Resident Agent in Charge for the United States Secret Service/Dayton will be joining us. He will be presenting on the financial exploitation of the elderly in our area. This should be quite informative. Find out how you can protect yourself and your loved ones.

We also have Del Gillespie from Senior Corps. She will tell us more about the Foster Grandparent program. I am fortunate enough to be on the Advisory Board of the Senior corps program and love the Foster Grandparent program. They are always looking for more volunteers. But don't worry, you don't have to keep the children in your home, you only go into the schools or community programs and tutor the children. What a fantastic way to bring the generations together!

Again, this will be a great meeting, so please plan to attend.

As always, if you have any upcoming activities, please let us know so we can list them here for you and on our Facebook page. Let us help you spread the word about your event.

Please invite your club members and anyone else you think would enjoy our speakers to attend our meetings. It is a great way to meet new people and have a great meal. Leslie in the café always has a delightful buffet on Wednesday or you can order off the menu. Either way, you will not be disappointed. The café is open Tuesday through Friday, so you can enjoy a meal there any day for lunch.

Please Note change for November's meeting. As the third Wednesday of November falls on the day before Thanksgiving, we have decided to move the meeting up one week. We will meet on the second Wednesday of the month which is Wednesday, November 14th. Please mark your calendars now.

The Miamisburg Lions will be having a Pancake Breakfast on November 3rd at Applebees by the Dayton Mall. Cost is \$8.00. Please call me if you would like to purchase tickets. The pancakes are excellent!

Again, as this is my last newsletter to you, I just want to say Thank you to everyone for your support during my presidency. I look forward to reading President Khadijah's news. I look forward to being a past president and supporting our new president. As always, please feel free to contact me if I can help you with your Medicare needs or answer any questions about the Presidents Club of Dayton.

Happy Holidays

...What does this mean in all cultures...this month in the spirit of Love, Charity, family and our diverse multi-cultural communities I will share the various meanings of Happy Holiday. Peace on Earth and Goodwill to All Mankind

According to Google...there are many

Dec. 25: Christmas — Christian

Christmas is a primarily Christian holiday that celebrates the birth of Jesus Christ. Many will attend [church, have family parties and exchange gifts](#), according to Interfaith Calendar.

Dec. 26: Zarathosht Diso (Death of Prophet Zarathustra) — Zoroastrian
