Presidents Message

Celebrate a Great Time!

Our Citizen Legion of Honor Luncheon was a tremendous success. The new “*Wall of Honor*” display made a striking impression, and the VIP Reception held in front of it set the tone for a memorable afternoon. Guests enjoyed coffee, cucumber water, and great conversation before stepping into the beautifully decorated Great Hall for a meaningful program. The afternoon featured a delicious meal, recognition of our outstanding scholarship recipients, and a heartfelt tribute to Raj Soin, our 2025 Citizen Legion of Honor recipient.

Special thanks to Tony Massoud for leading us in the National Anthem, and to the Ladies (a first) of the NROTC from Belmont High School for their impressive presentation and retiring of the colors.

It was a beautiful program—dignified, memorable, and full of community spirit. *Thank you*, again, for making this year's event one to remember. The new venue was a hit, and your support made it all possible.

Last month's topic was **Cyber Security 101** presented by **Bart Kincaid**, Director of Information Technology Montgomery County Sheriff's Office discussed the dangers of technology and how to safely use computers, cellphones, and online services. For all of us who think we know and understand the Web, the Dark Web, when and how to use public wi-fi systems, we were frightened into a new reality. Bart is a must have speaker (periodically) to remind us of the latest technologies, good and bad, and how to protect you and your family from harm. You can see his presentation on The Presidents Club of Dayton YouTube Channel. Book him for your club/organization.

NEWSLETTER
November 2025

On behalf of the Miami Valley Military Affairs Association, I would like to extend our greetings to the Presidents Club of Dayton membership. I hope this letter finds you all doing well and still enjoying our Summer weather (even though we're well into September!).

With the goal of MVMAA being to support and foster relationships between our military installations and surrounding civilian communities, this past couple of months have once again provided MVMAA several opportunities to directly support the Airmen and Guardians at Wright-Patterson Air Force Base and Springfield Air National Guard Base. Here are just a few highlights:

MVMAA President Brian Jarvis was honored to attend the annual ceremony at the National Museum of the U.S. Air Force recognizing WPAFB airmen selected for promotion to chief master sergeant. CMSgt James "Bill" Fitch, command chief of AFMC and guest speaker for the ceremony, shared personal stories that shaped his leadership philosophy. CMSgt Tessa Fontaine, 88th ABW command chief, also congratulated the newest chiefs and encouraged them to embrace their new roles with pride.

MVMAA takes special pride in that two of our key members – Brittany Sommers-Woods and Ralph Anderson were recently recognized and received awards at the Presidents Club of Dayton's Outstanding Volunteer of the Year award ceremony. Both Brittany and Ralph are very active community volunteers, both representing what it means to be a true servant leader.

MVMAA was pleased to co-sponsor with the Presidents Club of Dayton on a very successful 45th Annual Bob Chiles Golf Classic (with 128 golfers teeing off!). Proceeds from the golf outing go to support the WPAFB and Dayton VA Fisher Houses, First Sergeants Council, 178th Air National Guard, and other Base and Community-related activities. We are proud to support these organizations at WPAFB and Springfield ANGB. The top finishing teams of the golf outing are posted here.

We hope you enjoy and appreciate these articles covering MVMAA's 45-year history of community-military partnership. Thank you for your support and commitment to embracing MVMAA's mission. I look forward to continuing working together with you in 2025 to further MVMAA's rich legacy.

Fall is right around the corner; enjoy it!!

Brian V. Jarvis
