Supporting all branches of the U.S. Military National Guard Active, Reserve, and Retired

The Miami Valley Military Affairs Association (MVMAA) was formed in 1980 by several area Chambers of Commerce. These Chambers recognized the tremendous economic impact the military installation had on the Miami Valley Area and joined together with the leadership of Air Force Organizations. A board of Trustees made up of 15 local Chambers from a five county area and seven members-at-large, governs MVMAA. Since 1990, the MVMAA and The Presidents Club of Dayton has donated over \$148,500 to the Fisher houses & over \$9,300 to First Sergeant's Association. For more information visit us at MVMAA.org.

Comprised of key civic leaders represented in various service clubs throughout the Greater Dayton Region.

Broad in its concept and unique in its composition, The Presidents Club of Dayton, Ohio, was founded in 1932 by a group of local businessmen who had a genuine interest in the growth of their respective service organizations. They knew how vital securing and sustaining membership was (and still is) to the health and well-being of any organization, the encouragement of volunteer community leadership, as well as the importance of being well informed and making a contribution to your community.
