Presidents Club Board Update:

Jerry Pfiefer presented Sheriff Plummer with a check for \$977 for our share of the net proceeds with the Miami Valley Military Association. It was 21% vs 89% that MVMA received. Jerry asked that if the PCoD cannot provide a volunteer for this next golf outing, they will keep 100% of the net proceeds. The Fisher Nightingale House received \$10,000. Over the years, \$95,000 has been donated to the Fisher House from our two organizations.

It is recommended that all the clubs be contacted for volunteers and notify Jerry Pfiefer by early January. If no one volunteers, PCoD will continue to be recognized as though there was Presidents Club Participation. Last golf outing, Alan Schmidlap did the PCoD work. The revenue generated is tracked by organization and the PCoD delivered 21% of the revenues. If anyone wants to be the main contact or service club would like to volunteer, the Presidents Club would benefit from this and if multiple members from a club participate, a percentage of the net proceeds to the Presidents Club would be considered to a project the club has taken on. Vice President and Past President, Presidents Club Rod Raines has agreed to help with next year's golf event and will approach his club the Downtown Dayton Lions Club for help. He won't be alone because Tony Massoud has also offered to help in needed. Any other Service Club Members who would like to be part of this great team please let us know.
